WELCOME TO AUBURN, INDIANA!

"Celebrating America" is our theme as we gather Independence Day weekend for a grand car show on the grounds of Auburn Auction Park. Many thanks to RM Auctions for their generosity in hosting us. Because the traditional spring car auction is not being held this year, we get to take advantage of additional paved areas, trailer parking space and the huge facilities of RM. We are very fortunate to have this luxury and to have virtually everything onsite available to us.

Unfortunately, we cannot afford to host the usual free parking and concert this year. AACA will be absorbing all the costs as hosts for the weekend, but we want to make it clear that RM is not charging us to use the grounds. We still think our event is of huge value and we are adding a super fun Friday night activity for everyone.

Another treat for us is that we are hosting members of the Hudson-Essex-Terraplane Club at our event. While not an official club event, many of their members are supporting this effort. Likewise, while not a Buick Club of America event, AACA will present a special Buick gathering. The Buick Heritage Alliance will sponsor spectacular awards at the Buick gathering. Our Buick friends will officiate their own judging. However, Buick Celebration participants can choose to have their cars also judged by AACA, so why not do both?!

We are grateful for the support of the Crossroads of America Region AACA in helping us with the weekend festivities.

FLEA MARKET & CAR CORRAL

We will offer flea market spaces for the low cost of \$40 each and you can sign up for all the spaces you need. Our goal is to have a nice flea market for our members and the public alike. The community is being invited and it is free to them to come as a spectator. Car Corral spots are only \$50 per car.

FRIDAY NIGHT CRUISE-IN

Thanks to the cooperation of the Downtown Merchants Association, we will have a cruise-in to downtown Auburn where you will be treated to music, food trucks and open museums (discounted to our members) just for you. This should be a fun and relaxing evening - only a few miles from Auburn Auction Park and many hotels. This will be a great chance to visit the ACD Museum and the NATMUS Museum. The cruise-in is scheduled from 6-8 pm and of course is free.

ONSITE ACTIVITIES

HUDSON-ESSEX-TERRAPLANE OWNERS

Welcome to Auburn! We are very pleased that you will join us as we all get back to the hobby we all so enjoy. You will have a H-E-T only parking spot on the show field and get to partake in all the other activities of the show. Want to join our cruise-in to downtown Auburn? Sure! Want to sit in our judging school? Sure! Want to attend our fabulous BBQ Saturday night? Sure! If you are an AACA member and wish to have your car judged, you must register as normal for an AACA show. However, if you wish to park with your Hudson brethren you can and still be judged. Hudson Club members can register with a credit card by calling Pat Buckley at 717-534-1910.

BUICK OWNERS

We expect to host a large gathering of Buick owners at the Buick Celebration, which will be a separately judged show. Unique trophies and various special awards sponsored by the Buick Heritage Alliance (BHA) will be presented. Buick owners can partake in all activities. so if you are an AACA member you can get your car judged by both! The NB Center will present its Nicola Bulgari Spirit of Buick Award and the BHA will present its Buick Heritage Alliance Award. Buick Celebration activities are the same as above for the Hudson club members. Registration will be handled by AACA. Remember, in addition to the Buick Celebration judging, if you want to be judged by AACA, there is a separate registration fee and you must be a current AACA member. If you have any Buick specific questions about the Auburn Buick Celebration, please contact Brian DePouli at brian.depouli@att.net or 704-905-4989 (ok to text).

Saturday Awards

We will conclude the event with a late afternoon BBQ. Everything is homemade. The menu includes Texas style beef brisket, ribs, pork chops, pulled pork and chicken for meats. Sides will be potato salad, green beans, baked beans, roasted red potatoes and pasta salad! Whew! Drinks and desserts as well! We don't think you will go away hungry and the price is affordable! The awards will be presented right after dessert!

COVID-19 AND YOU

As this is being written in March, we have little idea of how the coronavirus and COVID-19 will affect our Nation in July. At previous AACA events held during this crisis, our members have been diligent about abiding by health guidelines and doing their part to protect the health and well-being of their fellow AACA members. Each participant will be required to follow CDC and State of Indiana requirements. If mask mandates are still in place in July, we respectfully ask that you wear them. Please do your part to help keep all our participants safe.
