

Moving Forward... to Preserve Buick's Past

The BHA gratefully acknowledges the generosity of the late Terry B. Dunham. Over the course of 50 years, Mr. Dunham collected and preserved an unrivaled collection of Buick literature, documents and artifacts. Through the efforts of the BHA, Buick enthusiasts everywhere will be able to enjoy and benefit from Mr. Dunham's collection.

The BHA welcomes donations from anyone of Buick literature, manuals, books, documents and memorabilia. Donating to the BHA ensures that your cherished Buick items will be safely protected and properly preserved. But most importantly, donating your items to the BHA ensures their availability and benefit to all Buick enthusiasts.
