Buick Heritage Alliance

www.BuickHeritageAlliance.org

For Immediate Release. **April 10, 2013**

Early in the BHA's history, when we needed "help" with our inventory, the late Terry Dunham, the BHA's Founder, contacted his good friend Dan Bower of Flint, Michigan. Without hesitation, Dan joined the BHA's Board of Governors and began his much needed, valuable work.

Dan spent a great deal of time at the AACA Museum in Hershey, where the BHA maintains its archives, cataloguing the BHA's literature, and adding additional items to the collection.

Buick Bugle donations were collated and catalogued by Dan for public use and reference at the AACA Museum.

Literature collections donated to the BHA throughout the years were also inventoried, catalogued and stored by Dan in Hershey.

When Terry Dunham decided to launch the BHA's first web site, Terry decided it was also a good time to establish an eBay store to help make the BHA more visible, and to raise funds. Dan was the first to volunteer his help; he created it, ran it, and made it a success.

On April 9, 2013, Dan delivered a great deal of BHA material to Marysville, Ohio, and he will soon be retiring from the BHA. All of this material will soon be catalogued, digitized and then made available to Buick enthusiasts everywhere through the BHA's new web site.

For all of his hard work and dedication to the BHA, we are most grateful. We will miss Dan's wit; his enthusiasm and his Buick expertise, but we still plan to call upon him whenever we need his valuable wisdom and experience!

To Dan Bower, we express our most sincere gratitude, thanks and admiration for his many years of support of the BHA.
