Strong Buick attendance at largest ever “All-GM Show.”

On August 9, 2014, along with the Oldsmobile Club of America’s Capital City Rockets, the Metro Chapter of the Buick Club of America co-hosted its 40th annual car show, welcoming General Motors cars of all years to its “All-GM Show,” held annually at Montgomery College in Rockville, Maryland.

Left: The entire show field was completely full by 10:30 a.m. All-GM Show chairman, Cory Correll, works hard to make the event bigger and better every year, and this year was no exception with a record 154 entrants.

Washington, D.C. Metro area Buick and General Motors enthusiasts always look forward to the All-GM Show’s terrific music, variety of cars, special displays and great food. With perfect weather, and a large staff of dedicated volunteers who meticulously organized every detail, everyone enjoyed a wonderful day of old car fellowship.

Left: Class A, *Stock 1948 & Older*, was well attended by pre-World War II Buicks. This mostly original 1928 Buick Model 29 Five-Passenger Town Brougham belongs to Michael Witt from Winchester, Virginia.

Right: Also in Class A was Mike Murphy’s Touquet Beige 1941 Buick Model 51 Super Four-Door Sedan.

The tee shirt tent is always a popular attraction. To commemorate the show every year, Cory Correll donates his extraordinary design talent by designing a new tee shirt. Collecting Cory's tees is popular among the All-GM Show faithful. As usual, this year's shirt design did not disappoint, and Cory says his 2015 design is already in the works. We look forward to seeing it at the 2015 event.

Left to right are Cory's spectacular 2014 and 2013 tee shirt designs.

Left: This year's hugely popular special display featured three classic GMC Motorhomes from the 1970's. Tours were graciously provided by the owners of these exceptionally well cared for vehicles, and were enjoyed by all.

The talk of this year's show among its participants was the impressive quality of the cars, including the Buicks, many of which received significant recognition at the grand finale awards presentation, where a total of 37 awards were presented to the best of the best. The two classes for the earliest cars were won by Buicks; in two other classes, Buicks won Second Place awards, and the *Best of Show Stock* award was also presented to a Buick.

Left: For Class A, *Stock 1948 & Older*, John Gallagher received *First Place* with his perfectly restored 1935 Buick Model 46-C Convertible Coupe.

Right: For Class B, *Stock 1949 - 1964*, Pete Tritsch received *First Place* with a 1956 Roadmaster Model 76R, 2-door, 6-passenger Riviera. This rare Buick deservedly received a lot of attention all day.

Below Left: In Class H, attendees enjoyed seeing James V. Dingell, III's well preserved, all-original 1987 Buick GNX with less than 800 miles on the clock. **Below Right:** James V. Dingell, III receives a *Second Place* award from Cory Corell for Class H, *Performance 1973 to Today*.

Not shown: For his 1989 Buick Reatta, Zolton Berghoffer received a *Third Place* award in Class E, *Stock 1980 to Today*.

Left: Winning the coveted *Best Buick/Marquette* award was Eddie Duvall with his immaculate 1970 Buick GSX. With Mr. Duvall's thoughtful placement of mirrors around his GSX, attendees were treated to an excellent view of a highly detailed, authentically restored chassis.

Above left and right: Having just completed a full mechanical restoration of their 1941 Buick Model 90 Limited Touring Sedan, Susan and David Landow received the *Best of Show Stock* award.

The Buick Heritage Alliance congratulates the Capital City Rockets and the Metro Chapter of the Buick Club of America for co-hosting their largest and most successful All-GM Show yet. Cory Corell, and the many capable volunteers with strong backs and helpful hands that keep the event running smoothly, have already started the planning of next year's show. Quality and organization is always their order of the day. Year-after-year, that is what makes the All-GM Show one of the most exciting and enjoyable car shows east of the Mississippi.
