## PURPOSE

Founded in 1966 by a group of Buick enthusiasts led by Greg Fallowfield, The Buick Club of America Inc. (BCA) is an international, not-for-profit organization dedicated to encouraging the maintenance, restoration, preservation and enjoyment of all models of Buicks produced by the Buick Motor Division of General Motors. With more than 8,000 members who own 20,000 plus automobiles built by Buick, the Buick Club promotes activities, resources and friendships. Members can enjoy nationwide events, publications and expert technical resources. Chapters of the BCA are available to promote local networking, but you must belong to the National BCA organization to be eligible to join a local Chapter of the BCA. Ownership of a Buick automobile is not required to be a member of the BCA; The Buick Club of America is not affiliated with Buick Motor Division, nor with General Motors.

## WEB SITE

Learn more about the Buick Club and its activities at **BuickClub.Org**. This is your link to historical information about the Buick automobile, the history of the Buick Club of America, technical information, a calendar of events and a variety of Discussion Forums designed to enhance your ability to share ideas and information with other individuals.

## AUTOMOBILE EVENTS

The Buick Club's premier event, the annual BCA National Meet, is held in a different U.S. city each year. Highlights are auto restoration competition, technical seminars, auto and recreational tours, awards banquet and car/parts sale/swap meet. It's where lifetime friendships are made and renewed.

Regional Meets also are popular, linking neighboring Chapters of the Buick Club.

Divisions of the Buick Club hold tours and other events separately and as part of the BCA National Meet as well.

## PUBLICATIONS

Members eagerly anticipate the 12 issues mailed annually of *The Buick Bugle*, the BCA's award-winning magazine. Included in each magazine are auto articles, advertising, illustrations and information.

Every other year the BCA produces a Roster listing the Club members including contact information and a listing of the various Buicks owned by each member. Also included are Club documents and a listing of National Club Officers, Division, Regional and Chapter Directors as well as a listing of all of the Affiliated and Non-Affiliated Buick Clubs.

## TECHNICAL ASSISTANCE

Members can access Club volunteers with expertise in year, model and technical topics for restoration/operation assistance. A list of these Technical Advisors is posted in each issue of the Club magazine as well as on the BCA website.

## MUSEUM

The Buick Heritage Alliance is recognized and supported by the BCA. The Buick Heritage Alliance is organized for the acquisition, restoration, preservation and display to the public of Buick automobiles and related items. For more information please go to [www.buickheritagealliance.org](http://www.buickheritagealliance.org)

## JOIN US

It's easy to become a member of this exclusive organization! Simply complete the membership application online at **BuickClub.org**, or contact the BCA Office via one of the methods listed below to receive a membership application in the mail or via fax. We gladly welcome your suggestions and participation.
