

Buick's Available to Promote Our General Motors Heritage

As part of our commitment to the Buick community, the Buick Heritage Alliance is proud to announce the “opportunity” to provide historical Buicks at your show. This year, a number of Buicks are touring the United States as part of the 100 year celebration of General Motors.

The BHA will be expanding their reach by offering your club/event the opportunity to show a number of different Buicks to promote our General Motors heritage. While there may be a cost associated with this offering, we want to work with your Show Coordinator to maximize the historical benefit of participating with the BHA.

This collection of unique automobiles will be displayed at four major shows this year: The 26th Annual Arthritis Foundation Classic Auto Show and Cruise on July 11 and 12, 2008, in Dublin, Ohio; The Buick National meet in Flint, Michigan, July 17-20; The 14th Annual Glenmoor Gathering, September 14, in Canton, Ohio; and the 6th Annual Hilton Head Island Concours d' Elegance on Sunday, November 2, 2008, at Hilton Head, South Carolina.

The following cars will be on display at one of more of these events:

1903 Curve Dash Olds
1908 Buick Model 10
1929 Buick Model 54CC
1934 Cadillac V-16 Convertible
